

# **VOLUNTEERS WANTED**

## **OUTREACH PROJECT**

### **WORKSHOP AT THE WASHINGTON CHILDREN'S HOSPITAL**

111 Michigan Ave NW, Washington, DC 20010

**WHEN: SATURDAY, MARCH 18, 2017**

**11 AM TO 3 PM**

Though this project is focused on the children we may have some of their family members and staff participating. The objectives are to teach a) how to make paper beads and assembling them for a necklace using leather cords and sliding knots; and b) how to make a beaded bracelet or necklace, crimping and attaching clasps.

Help us make this workshop a success by volunteering 2 hours of your time on March 18th. Shifts will be from 11 a.m. to 1 p.m. and from 1 to 3 p.m.

Please contact [Mariluc416@comcast.net](mailto:Mariluc416@comcast.net) if you can participate on this rewarding project stating your preferred time slot. If you learned to make paper beads, please volunteer and bring your paper beads and paper bead roller to the workshop

The workshop will be at the Art Center of the Hospital. Further information will be sent to the volunteers once we get all the logistics finalized.

Thank you for your support.
