Business Meeting

Miriam Shimon may have something new.

The email for Cliff's classes will be mailed out in the evening Sunday, May 9. In order to get the member discount for Cliff's classes, membership must be current by 10 pm Saturday, May 8.

Melissa will be back to teach for us in February 2022 for 3 days – February 18, 19, 20. It will be another mask class. This will be offered first to those on the waiting list for the June mask class. There are already 11 people on the wait list and they will get priority and be notified prior to the general membership. We have asked her to debut a new class for us, and there is a possibility that we will have a fourth day with her.

The main event of the meeting was the Auction. Bids will be made in the Zoom chat, and there will be multiple trackers for each item. Bids will be visible to everyone in the chat, which will be saved. The winning bidder must provide one's real name and an accurate email address. Most items will be offered individually although some will be offered two at a time. The Auction items will be displayed in PowerPoint with the item number and a description. There will be a five minute time limit for each item. A PDF with the Auction items was provided to members in an email with the Zoom invitation. The items in the PowerPoint presentation will correspond to the items in the PDF. The floor price for each item will be one half the suggested retail price, and bid increments will be \$5.
