Petals (top) Sunday July 10th, 2022 11:00 – 5:00 PM ET

This is such a feminine design and is a great way to showcase your most precious 27mm Crown stones. Students can choose to make the whole piece, or a more toned down version using 14mm rivolis, a brooch or a pair of earrings. There are many possibilities with this piece. The design features a bezeled stone with CRAW to give it extra strength when the petals are applied.
