Bring an extra dash of delight to your day or evening, simply by flaunting Dancing Queen necklace. Everything we love in a long necklace gets delivered in this piece: sparkle, shimmer, beads, fringe and long length. Pendant features six teardrop-shaped crystals radiating from a large fancy crystal and a luxurious fringe dangles below. The pendant hangs from a shimmering 2 strand ball chain, with several beaded beads along the length of chain and finished with beaded bead caps.

Symphony Necklace draws inspiration from the Edwardian Era or Belle Epoque period as it was popularly known in France. Delicate, lacy designs studded with diamonds and other gemstones were used to make very elegant jewelry pieces. Symphony Necklace features a large fancy bezelled oval, framed with swirling motifs which gives the necklace a very feminine look. Several antique looking teardrops dangle below. The rope showcases the swirling motif reminiscent of that era and it is finished with a clasp.
