Dear Northern Virginia Bead Society,

Thank you for your donation of \$500.00 supporting the Creative and Therapeutic Arts Fund - Operational Fund.

Your contribution enables us to offer exceptional, compassionate care to every child, regardless of illness, injury or ability to pay. It helps to fund research that informs our care and leads to innovative treatments and cures for some of childhood's most challenging diseases. It also ensures that our hospital is a warm and welcoming place for our patient families.

Your generosity is a big reason why *U.S. News & World Report* ranked Children's National one of the nation's top-six pediatric hospitals and number one for newborn care for the third year in a row.

We are grateful for your support and all that you make possible. Thank you for helping children grow up stronger!

Sincerely,

DeAnn Marshall, MHA
