

French Beaded Flower Brooches

Materials List

Recommended beads include Czech size 9/0 3-cut beads, or Czech size 11/0 seed beads. Japanese size 11/0 round seed beads may be substituted. Delicas are NOT suitable for this project. Czech beads are purchased by the hank. Size 9/0 hanks contain 10 strands to a hank. Size 11/0 hanks contain 12 strands to a hank. Either size strand can be substituted in the quantities below,

Flower Petals: 3 strands beads
3 yards 26 gauge Artistic Wire (or other brand of color coated copper wire) color to match beads.

Center: 2 strands beads
1 yard 26 gauge Artistic Wire (or other brand of color coated copper wire) color to match beads.

Calyx: 2 strands beads
1 yard 26 gauge Artistic Wire (or other brand of color coated copper wire) color to match beads.

Leaves: 4 strands beads
4 yards 26 gauge Artistic Wire (or other brand of color coated copper wire) color to match beads.

1 inch Screen and Pin-back (available for purchase from instructor for \$5.00 each)

Kits available from instructor for \$40.00 (includes full hanks of beads).
